A PUBLICATION OF THE WEST BATON ROUGE HISTORICAL ASSOCIATION

Janet Simoneaux, Editor, jcsimoneaux@gmail.com, 225-383-2502

"The purpose of the West Baton Rouge Historical Association shall be to foster interest in history, particularly that of West Baton Rouge Parish, and to encourage and pursue research, collection and preservation of materials illustrating past or present activities of the parish."

John Anderson to discuss Walter Anderson's Art at EDC Lecture

John Anderson, son of famed artist Walter Anderson and Anderson family curator, will discuss "Shearwater Pottery and Walter Anderson Art: The History of a Dream" at the West Baton Rouge Historical Association's Ethel Claiborne Dameron Lecture at 3:00 p.m., Sunday, October 30, 2016 at the WBR Museum in Port Allen.

Not only will we hear about Walter Anderson's work, but we can see it as well since an exhibition, **Walter Anderson's Fairy Tales**, featuring original drawings, block prints, and ceramic works by the famed southern artist, will be on display at the West Baton Rouge Museum beginning on October 29. A highlight of the exhibition is *Cinderella on Her Way to the Ball*, a linoleum block print carved by Walter Anderson and colored by his children in the 1940's. **Some years ago, this piece was donated to the Walter Anderson Museum of Art by the West Baton Rouge Historical Association.**

The youngest child of Walter and Agnes Anderson, John Anderson grew up in the artistic retreat at Shearwater Pottery in Ocean Springs, MS. For the past several years he has been the curator or co-curator for twelve exhibits of his father's art. Additionally, he has written about him extensively, and participated in the production of several films on the subject. John Anderson also served as first president of the Board of Directors for the group that built The Walter Anderson Museum of Art.

Following the lecture, refreshments will be served.

FROM OUR PRESIDENT AROUND OUR ASSOCIATION

Hi Friends,

The past few months have been a busy time for many of our WBRHA members. With SugarFest coming up on October 2, we issue a call to our members and their friends to come out and help with this 21st Anniversary event. A special thank you to Jane Brou and Debra Salvadras for chairing the Plantation Dinner again this year. We appreciate the WBR Historical Association members for selling their tickets for the delicious chicken dinners that we're serving that day. We couldn't do this fundraiser without each and every member doing their part to make the event a success. A special thank you to Alice LeBlanc for keeping up with the tickets and money for the fundraiser.

A favorite place to shop at SugarFest is the Sweets Booth sponsored by the WBR Historical Association. Special thanks to Mary Bennett for continuing as chairman. She will need the help of our members to provide cookies, cakes, candies and pies to sell in the booth and others to assist with selling them.

Special thanks to Lorry Trotter for chairing a Membership Booth for the WBRHA and other volunteers for assisting with the booth. This is an important activity to increase membership in the WBRHA.

We're delighted with the results of our 11th annual Christmas in July Card Party fundraiser which was very successful. Thanks to Lorry Trotter for chairing the event for the third year. Other committee members who assisted her were Babs Babin, Joyce Barbier, Jane Brou, Kim Callegan, Alice LeBlanc, Janet Simoneaux and Evva Wilson.

Brian Falcon and the Historical Preservation Committee are working on additional signage to recognize the many historical sites in our parish.

Evva Wilson, chair of the Ethel Claiborne Lecture Series and Jeannie Luckett, Education Curator, are preparing an outstanding event this year. John Anderson, son of Walter Anderson, world renowned artist and potter, will be our guest speaker for the 3:00 p.m. program on Sunday, October 30. He will present a lecture of his father's life work as an artist.

Nominations for new board members for the WBR Historical Association and WBR Museum are now being sought. Please make suggestions to Babs Babin or Ellis Gauthier of individuals that would be interested in serving. We're looking forward to seeing you at SugarFest on October 2 for good food, music and fellowship.

Sincerely,

Ellis

WEST BATON ROUGE MUSEUM

Julie Rose
WBR Museum Director

From Our Director

Greetings!

Ten years have passed since I started my career as the director of the West Baton Rouge Museum. The time has sped by quickly, and yet in looking back over that time I am struck by the thousands of people we have served. Our museum has grown and together we have many accomplishments that we are proud of, including our campus, exhibitions, and programs. Just this year, the West Baton Rouge Museum

has been honored with an award from the Louisiana Association of Museums as the 2016 Museum of the Year. Tommy McMorris, our museum's Visitor Services Coordinator, was the recipient of the prestigious Louisiana Association of Museums' "Emerging Museum Professional of the Year" award. This month the West Baton Rouge Museum was honored with the American Association for State and Local History Award of Merit for the exhibition, book, video, and programs for "Cohn High School: How We Love Thee 1949-1969", which was received by Angelique Bergeron, Kathe Hambrick, and me in Detroit, Michigan. Perhaps a watershed moment for our progress was started when the museum, along with the HA, worked on our application for accreditation from the American Alliance of Museums, which was successfully awarded in 2009. We installed the permanent exhibit "In the Interest of Our Parish" and produced *S is for Sugar* and the award winning orientation video. Our campus grew with the carefully designed strategic plans. We saved the Arbroth Store and were commended with the prestigious award by the Foundation for Historical Louisiana for this work. We built the

Barn, which will in time serve as another outstanding exhibition and program venue. We added buildings, walkways, lighting and researched more histories than ever before to tell the shared and inclusive histories of all the people of the parish. We have developed and revived relationships with arts, humanities, and academic partners that have enabled us to expand our scholarship and reach more audiences through publications, teachers' institutes, online, and media. We overcame the destruction of hurricanes and floods, and shared the joys and sorrows within the community. We worked together to renew our public funding and to bring in grants that distinguish our museum from other regional history museums. The museum's accomplishments over the past decade are a source of pride for our community. The museum staff now includes 15 talented and extremely dedicated individuals. Each staff member and the many volunteers each give his and her all to serve our museum's mission. SugarFest has grown as a celebration of the sugarcane harvest and a celebration of community. With the community's endearing and much valued support, I am extremely grateful for all we have been able to accomplish. Celebrate with us on October 2, 2016 and sing, dance, and join the joys that preserving and teaching history brings. Thank you for an amazing decade of learning, sharing and making history matter!

See you at the museum, where history has a name!

With best regards,

Julie

Joyce Barbier WBR Historical Association Volunteer

Joyce Barbier, a lifelong resident of Port Allen, has fond memories of growing up and working on the west side. Following her graduation from Port Allen High School she married her high school sweetheart, Kenneth "Bubby" Barbier, who was in the Air Force and spent 1½ years in France during the Korean War.

While he was overseas Joyce attended Spencer Business College in Baton Rouge and worked at her parents', Lawrence "Papa Noon" and Bernadette LeBlanc's store, Morales Grocery in Port Allen. When "Bubby" returned, he and Joyce spent 1½ years in Burlington, Vermont before heading back home.

Sometime later, her father retired and Joyce shouldered the responsibility for managing the grocery store for 6 years while tending to her 7 children! After the store closed, Joyce worked a couple of years for Lowe and LaBauve, CPA's and then spent the next 24 years working part-time for the West Baton Rouge Police Jury (currently Parish Council).

Joyce and "Bubby" enjoyed spending time with their 7 children and spouses at their camp on Belle River where they liked to fish and host friends and family that includes 14 grandchildren and numerous great grandchildren.

Christmas Eve is a special time for the Barbier family and begins on the first Sunday after Thanksgiving when Joyce hosts a Christmas Tea for her daughters, daughters-in-law, nieces, and sisters. Additionally, she always has everyone at her house for Christmas day.

With such a large active family, it's hard to believe that Joyce has any time left for volunteering, but she is a longtime community volunteer and is currently serving a 3-year term as a West Baton Rouge Historical Association Board member, and assists with the organization's Plantation Dinner fundraiser at SugarFest. Additionally she has served 6 years as a member of the group's annual Card Party Committee and 6 years on the HA Hospitality Committee. Joyce and "Bubby" are also active members of Holy Family Catholic Church and West Baton Rouge Senior Spirit.

State Historic Marker Installed in Port Allen --The Louisiana State Historical Marker for Oaks Plantation has been installed at 605 South River Road in Port Allen, home of Kim and Kerry Callegan. The WBR Historical Association submitted the site to the State Office of Historic Preservation with appropriate documentation from Brian Falcon, chairman of the WBRHA Historical Preservation Committee, and Kim and Kerry Callegan, owners of Oaks Plantation.

Port Allen Centennial Celebration

The City of Port Allen Centennial Celebration is set for October 7-9 at the Old Ferry Landing Park in downtown Port Allen. Festivities include a night parade with huge lighted floats and the Southern University Band, a fireworks display, a great line-up of musical entertainers, car show, jambalaya cook-off, and 5K run/walk. For more information on the celebration go to the city's FaceBook page: www.facebook.com/cityofportallen/.

Cohn High School Historic Marker Approved By State of Louisiana

"A Louisiana State Historic Marker recognizing Cohn High School has been approved by the state," announced Brian Falcon, chair of the WBRHA Historical Preservation Committee. "The approved text and payment have been forwarded to the foundry with the estimated delivery date expected in 6 to 8 weeks," he continued.

Currently, the committee is compiling a list of potential projects for 2017 which will be discussed at a future meeting. These include: refurbishing the existing Cinclare marker; refurbishing the existing Calumet Plantation marker, and a new marker for Roy Hotard, Jr.

Falcon announced the 2017 Historical Preservation Committee budget is \$2,849. This is based on the 2016 marker cost with a 10% increase which should cover the cost of a new marker or refurbishment of any existing markers.

Walter Anderson later studied at the Parsons School for Art and Design and the Pennsylvania Academy of Fine Arts. He moved to Ocean Springs, Mississippi as a young adult where he was inspired by the local flora and fauna.
